Dear Chairperson,

We at The Ramada by Wyndham Hotel and Conference Center would be delighted to host your group for your upcoming event. I'd like to extend to you a special offer and share with you the improvements we've made to the property as well as those things we now offer for our furry friends.

We are excited to report that this past summer we refurbished the bathtubs in all of our 100 rooms. Also, most of them have fresh paint and a new updated paint scheme. We now have a pet station with a supply of bags and dedicated trash can for the dog's poo. We will have pet dish liners and sheets will be available so your pets will have their very own!

We have lowered our group rate for that weekend as well. We've reduced for you our normal rate for two beds of \$129 per night to \$109 or one bed from \$119 per night to \$99 (plus applicable sales taxes). These rates are available if the following conditions are met:

*We need at least 10 rooms to honor these rates. The rooms need to be booked and paid for two weeks in advance on March 16th. Any cancellations after this date will be refunded one night's stay only. Pet fees and security deposit/credit card authorization will be collected at check-in.

*The deposit or authorization is \$100 to compensate for any possible damages to the room or undeclared pets. The authorization is a hold and will drop off in a matter of a few days from any major bank card. We will only force the sale on this hold if we find extraordinary damage to the room and/or its contents; smoking in a non-smoking room, undeclared pet(s) or as in one case, there was a dog who injured their tail and wagging their tail resulted in blood all over walls, beds and appliances. This is considered extra damage and only under these conditions do we charge against the pending credit card authorization and will call/email you that we have done so.

*Please reference 033024IWC for your group discount when making your reservation. All reservations made outside of the group are subject to regular rates and fees.

Our spacious rooms include Continental Breakfast as well as free high-speed internet. Each room features a microwave, mini-fridge, hairdryer, iron and ironing board. There are several restaurants in the immediate area to choose from and with easy access to I-95, you should find this a convenient destination for you. We are a pet-friendly hotel and lowered our NON-TAXABLE pet fee for you from \$25/night per pet to \$15/night per pet.

Sincerely,
Linda Colleran
Assistant Manager
